 Money-Saving & Success Tips

 Budget Optimization Strategies

Buy in Bulk

Save \$20-25/week

- **Rice:** 10lb bag (\$5.98) vs 2lb bags - saves \$5.70
- **Oats:** Large canister vs small boxes - saves \$2-3
- **Dried Beans:** 1lb dried = 5 cans worth - saves \$2.80
- **Chicken:** Family packs 5lb+ - saves \$10
- **Eggs:** 24-count vs 2x 12-count - saves \$1.00

Freeze Everything

Save \$10-15/week

- Bread/Tortillas: Freeze extras (lasts 3 months)
- Cooked Rice: Batch cook, freeze portions
- Cooked Beans: Freeze in 1-cup servings
- Chicken/Pork: Buy on sale, freeze portions
- Burritos: Make 20+, freeze individually
- Overripe Bananas: Freeze for smoothies

Shop Sales

Save \$10-15/week

- **Walmart App:** Digital coupons save \$5-10/week
- **Meat Sales:** Stock up when chicken <\$2/lb
- **Canned Goods:** "10 for \$10" sales
- **Frozen Veggies:** Buy on sale, they last months
- **Store Brand:** Great Value saves 20-30%

Reduce Waste

Save \$5-8/week

- Vegetable scraps → homemade broth (saves \$2-3)
- Overripe bananas → freeze for later
- Leftover rice → fried rice next day
- Chicken bones → make broth (saves \$3-4)
- Cheese rinds → add to soups for flavor

Success Strategies

Week 1 Focus: Get comfortable with 3-4 core meals. Master breakfast burritos, chicken bowls, and lentil soup before expanding variety.

Protein Distribution: Aim for 25-50g protein per main meal, 8-18g per snack. This makes hitting 150g+ daily much easier!

Flavor Variety: Use different seasonings to make the same base ingredients taste different. Curry powder, BBQ sauce, hot sauce, and garlic powder are game-changers!

📊 Tracking & Adjustments

- **Week 1:** Track everything to understand portions and macros
- **Week 2-3:** Adjust portions based on hunger and weight changes
- **Week 4+:** You'll know portions by eye, tracking optional
- **Weight Gain:** Reduce rice/carb portions by 25%
- **Weight Loss:** Increase protein portions, add extra snacks
- **Still Hungry:** Add more vegetables (low calorie, filling)

🔧 Equipment Recommendations

Item	Cost	Priority	Why You Need It
Large Pot	\$10-15	Essential	Boiling eggs, cooking rice/lentils
Non-stick Pan	\$12-18	Essential	Scrambling eggs, stir-frying
Food Storage Containers	\$15-25	Essential	Meal prep, portion control
Baking Sheet	\$8-12	Recommended	Toaster oven roasting
Freezer Bags	\$3-5	Recommended	Freezing burritos
Rice Cooker	\$15-25	Optional	Set-and-forget rice cooking

🔄 Ingredient Substitution Quick Reference

Original	Substitute	Notes
Chicken Breast	Chicken Thighs	Cheaper, more flavor, higher fat
Pork Shoulder	Ground Turkey	Leaner, similar price
Black Beans	Pinto/Kidney Beans	Same nutrition, different flavor
White Rice	Brown Rice	More fiber, same cost
Fresh Spinach	Frozen Spinach	Cheaper, lasts longer
Olive Oil	Vegetable Oil	Much cheaper for cooking
Greek Yogurt	Cottage Cheese	Similar protein, different texture
Banana	Apple/Frozen Berries	Similar carbs, different nutrients
